Slide notes

Our choice here will determine what happens when we enter the Payroll Application. We can choose a specific Payroll Type, or, if we will be using more than 1 type of Payroll, then we choose "Multiple Payrolls".

Slide notes

Once we have made our choice, the Payroll application will act on this. In the case of 1 or more Payrolls but only 1 Type, the system will automatically enter the correct type, and when we are using more than 1 type of Payroll, the system will prompt so that we can choose which kind we wish to work with at this time.

Slide notes

When we make a choice, the system will offer that Payroll.

Slide 10 - Slide 10

Slide notes

Once we are using a selected Type of Payroll, we can exit it at any time and upon re-entry make a different choice, if we so wish.
